Comments On Statement Of Reasons For Allowance

II. Comments On Statement Of Reasons For Allowance Under 37 C.F.R. § 1.104(e):

The Assignee appreciates the Examiner's allowance of claims 33-47 in this application. Assignee does not disagree with the Examiner's characterization of what the prior art discloses, and Assignee agrees that the prior art does not disclose or suggest the inventions Assignee has claimed. However, Assignee wishes to point out that the Examiner has not necessarily correctly characterized the scope of all of Assignee's allowed claims. Therefore, the Examiner's statements should not be interpreted as indicative of the scope of the Assignee's claims. Instead, each claim must be interpreted pursuant to its specific language.

Respectfully submitted,
